The Missouri Masters 2024 Bowling Tournament:

This tournament is not certified by the United States Bowling Congress (USBC), but all USBC rules will be observed. Participants from any state are welcome to compete, and there is no requirement for a sanctioned average. However, youth bowlers are not permitted.

Tournament Format:

- If the number of entries is fewer than 96, the cut will be made to the top 32, instead of the top 48, the cashers round would be eliminated.
 - The payout ratio will be 1:3.
 - The entry fee is set at \$100.
- Expenses account for 12.5% of the fee, and lineage fees are 2.50 per game bowled. Everything else included added money goes into the prize fund. Expenses include, banners, trophy, masking unit, live stream and tournament staff compensation.

Key Details:

- The tournament is open to all bowlers, irrespective of their state of residence.
- Although not USBC certified, a current membership in a USBC certified local association is required.
 - The tournament will strictly be a scratch event where actual pinfall determines advancement.
 - Qualifying rounds will include three games across six lanes.
 - Lane conditioning will follow a SPORT BOWLING pattern.
 - A \$10 fee applies to refunds on paid entries.

Sunday Format:

- Seeding is based on Saturday's qualifying scores.
- With 96 or more entries, the top 48 (and ties) advance; with fewer entries, the top 32 advance directly.
- The top 32 will compete in a single game, double elimination match play to determine the champion.

Dress Code:

- Participants must wear dress slacks (no jeans, sweats, or shorts) and a collared shirt. Mock turtlenecks with a bowling logo that meet PBA guidelines are allowed.
 - Hats and headgear are not permitted.
- Non-compliance with the dress code will result in disqualification.

Additional Information:

- The tournament manager's decisions are final.
- Friday sweepers will use the same lane pattern as the tournament.
- Brackets and high game pots are managed by the Tournament Director.
