Oldies But Goodies will be a sanctioned league. League will consist of 13 teams (more if teams join) with four bowlers on each team. Teams may be made up of any combination of men and women age 50 or older. League will bowl on Monday @ 1:00pm for a total of 34 weeks, beginning 8/18/2025, skipping Labor Day 9/1/2025, ending 4/13/2026. Week 33 will be a position round and week 34 will be a Fun Day.

The league weekly fee will be \$10.00 (\$8.00 lineage plus \$2.00 prize fund). The prize fund will be distributed the last week of the season, proportioned based on number of weeks bowled.

There will be 10 minutes practice, beginning @12:50pm.

USBC dues will be \$21 for senior league bowlers payable on first week of bowling.

Roving subs will be allowed. Legal line-up is one bowler. Subs count for legal line-up and must be age 50 or older.

Average will be set after the first 3 games bowled. Handicap will be 90% of 210.

Vacancy scores will be 125 (men and women) when needed.

Teams bowling against "bye" or known forfeit must bowl within 40 pins of their team average to win point.

Bowler who arrives late may enter the game if the fifth frame has not been completed.

If a bowler is absent more than 3 weeks straight, they will fall off the roster to the sub list and a vacancy score will be used. When bowler returns, they will go back to their same team roster.

Absent score will be the bowler's average.

A bowler must be 50 years of age or older to bowl in this league.

No pets allowed in the bowling area.

In case of inclement weather, league officers will decide if bowling is cancelled. Captains of each team will be notified by text. It will be the team captains responsibility to notify other teammates.
